SUPER LEAGUE COMPETITION – WINTER 2019

- The Superleague grade is a 2 player competition for the best players in Canterbury.
- There shall be 16 players in the competition (with qualifying reserves from Div 1 competition filling in as required)
- Singles matches will be best of 7 and doubles are best of 5 sets.
- Up to 10 players will be preselected for the Superleague competition based on previous season's Superleague and/or 1A results
- There will be a minimum of 6 spots that will be filled by the successful players from the qualifying tournament.
- If you are not preselected for the Superleague you must play in the qualifying tournament to have a chance to be a qualifying player or a Superleague reserve player for the first round of competition.

OTHER RULES

- Superleague Players that miss 4 weeks of competition during the season shall be disqualified and their spot shall be given to the highest ranked reserve player.
- Reserve players shall play Div 1 and shall be called up to fill in for the Superleague for the first round of the Superleague as required on rotation. After the first round the 6 players that shall be eligible to play for the Superleague shall be the 6 players with the highest percentages in Div 1.
- Reserve players wishing to be called up to the Superleague competition MUST have played interclub the previous week (Div 1 or Superleague), unless there are not enough reserves.
- If more reserve players are required than available then the next highest percentage players in Div 1 shall be given the opportunity to play in the Superleague.
- Players may play in both Div 1 and Superleague grade. If a player is preselected or qualifies for a permanent position in the Superleague they must let their Club Captain know whether they will play in just the Superleague or in both the Superleague and Div 1 grades so that they can be included in a Div 1 team for the season.

QUALIFYING TOURNAMENT

- **All players currently playing (2019/18 Interclub) Div 1 grade are eligible to play in the qualifying tournament.**
- A player's final position in the qualifying tournament will determine if they receive a qualifying spot in the Superleague, a Superleague reserve spot or miss out.
- The qualifying tournament will be held on 16th March 2019 at 11am
- The qualifying tournament will be limited to 18 players only, if there are more than 18 players wishing to enter then top 18 entries will be accepted based on interclub results, tournament results, and NZ ranking/rating. TTC reserves discretion on entry acceptance.
