

HOW TO START PLAYING INTERCLUB COMPETITIONS

To start playing in an interclub competition, you will need to join one of the clubs. Based on your level of play, your **club captain** will place you in a team in a suitable division. Currently, there are 5 divisions: **Division 1** (the highest) to **Division 5** (suitable for beginners).

At the beginning of each season, **club captains** submit their team's entries to the **interclub subcommittee**. Each team is made up of **3 players plus reserves**.
